With an increase in SmartPhones and broadband internet many people have Facebook and Twitter open and in use 24/7! Social Media is a must have for your organisation, church and business. This Masterclass led by Paul Blakey MBE (founder of Street Angels and Christian Nightlife Initiatives) and Beth Ward (Events and Marketing expert) will **help unravel the world of Social Media to make it work for you**. We will also look at web sites and how you can build a website for free.
